Barekeng : Journal of Mathematics and Its Applications

jurnal ilmu matematika dan terapan

BAREKENG: Journal of Mathematics and Its Applications is a peer-reviewed, scientific journal published by Universitas Pattimura in Collaboration with The Indonesian Mathematical Society (IndoMS). The journal aims to publish and disseminate high-quality, original research papers and article reviews in the following fields: pure mathematics and applied mathematics. This journal is published four times a year in March, June, September, and December. Articles or manuscripts in this journal are the research results of group research that have never been published in other scientific journals or proceedings.
