Barekeng : Journal of Mathematics and Its Applications

jurnal ilmu matematika dan terapan

BAREKENG : Jurnal Ilmu Matematika dan Terapan (BAREKENG : Journal of Mathematics and Its Applications) is a peer-reviewed, scientific journal published by Pattimura University in Collaboration with The Indonesian Mathematical Society (IndoMS). The aims of the journal are to publish and disseminate high quality, original research papers and article review in the following fields: pure mathematics, applied mathematics, statistics, actuarial science, mathematical physics, mathematics education and computer mathematics. This journal is published four times a year, in March, June, September and December. Articles or manuscripts in this journal are the results of personal or group research that have never been published before in other scientific journals or proceedings.
